

A clear investment alternative offering transparency, an attractive return and low correlation

Investment Strategy

The International Life Settlements Fund ("ILSF") aims to provide investors with attractive risk-adjusted returns by investing in a carefully selected insurance portfolio of US senior life settlements. ILSF will construct a highly diversified portfolio by purchasing policies that meet stringent investment criteria. Portfolio optimization techniques will also be used to ensure the maximum return for the portfolio.

Investment Objective

ILSF goal is to provide an 8% annual net return to its investors.
